- Pietro always gives me a better understanding of the material and encourages me a lot. Thanks!
- This is my second time having Pietro as my ECON 120 TA, and it is great to have him again. Pietro is really patient and good at explaining the course materials. He always encourages people to ask questions or ask him to explain the concepts again. There was one time, I asked him to explain the same concepts for 3 to 4 times as I couldn't really get it. He was really patient and tried explaining that one concept using different approaches.

Additionally, Pietro cares about his students. If you are struggling in the class, he is willing to help you out. Besides, Pietro replies questions via emails, which is really nice as my questions will get answered very soon.
